

We are specialist printers of dog shows. All processes from schedules and entry forms to completed catalogues are executed on the premises. This includes handling of all the entries and fees if required and a full financial show service.

Our "Show Results Service" can be present on the day recording the results of each class, CC winners, Group and BIS winners, printing out all the relevant reports and including one for the Judge's critique.

On the day of the show, results are published on our website in real time at the following address:
